Coming from behind in the final to win over the Greencastle high school basketball team in a game that went into two overtime sessions Jeff high school of Lafayette won its second consecutive College Town tourney on the Jeff floor Saturday night. The final score of the game was 14 to 11, and the count at half time was 8 to 4 in favor of Greencastle.

Greencastle went into the final by swapping Crawfordsville by a 22 to 13 score, in the afternoon, and Jeff advanced by nosing out Bloomington 19 to 18 in the first game of the tourney. The Athenians of Crawfordsville downed Bloomington by a 35 to 31 score in the consolation game, which was played as a preliminary to the championship game.

The College Town tourney is an annual event in which four teams representing Greencastle, Crawfordsville, Bloomington and Lafayette compete. Last year the tourney was played at Greencastle and Jefferson nosed out the Tiger Cubs on win.

In the first afternoon game Saturday Jeff came from behind 12 to 6 at the half to win over Bloomington, and in the second tilt the Bausmanites came from behind 7 to 3 at the half to deluge Crawfordsville, and win 22 to 13. H. Stone and Hurst were outstanding for the Cubs, while Thompson and Malaska looked best for the Montgomery county boys.

Due to the drought and winter hardships in several states in the middle west, the Red Cross is feeding over a half million people at the present time. The ten million dollar National Relief fund requested by President Hoover is absolutely necessary regardless of whatever appropriation Congress is making.

The local chapter is renewing all efforts possible to raise their quota of two thousand dollars. Everyone is urged to make their donations as soon as possible. Mail your checks to Rev. Victor Raphael or leave them with either bank.

A telegram recently received stated, "To the people outside of the drought area it might seem like a drab affair without the dramatic incidents of such a catastrophe as the Mississippi flood, but to the starving families and Red Cross volunteers working day and night it was a stupendous job. Deaths that have come from malnutrition in sections of Arkansas are being hindered as much as possible by the Red Cross."

The receipts of contributions are as follows:

WABASH FACULTY HURLS
CHALLENGE AT DEPAUW
FOR VOLLEY BALL GAME

CRAWFORDSVILLE, Jan. 19.—Members of the Wabash college faculty who recently organized a volley ball team have challenged the DePauw university faculty for a match to be played in the near future. The DePauw team has been in existence for some time and boasts quite a chesty court aggregation.

While the match is regarded as a certainty the time and the place of the engagement are yet to be worked out. Reports coming from DePauw indicate that the Tiger teachers are taking the match real seriously and that twenty professors are already fighting for the six places on the team.

Wabash also is reported to be well fortified in the matter of athletically inclined professors and instructors and should put a fast aggregation on the floor to do battle with the DePauw crowd. It is understood that both teams will get in a lot of practice before the actual combat is staged.

JURY—CONFESED GANG MEM-
BER REPUDIATES CONFESSION
AT HEARING

DANVILLE, Ind., Jan. 19.—Waiving trial by jury, Hugo Lynch, 24 years old of Newcaste, went on trial in Hendricks circuit court today for his alleged part in the holdup of the North Salem State bank last October 10, when \$2,300 was taken.

William Bush, confessed member of the gang whose confession implicated Hugo Lynch and Garrett Dinkla, the latter serving a sentence for the robbery, today repudiated the confession after being brought here from the state reformatory to testify.

He told the court he signed a confession which was written by Indianapolis police and that he implicated Hugo Lynch and Dinkla because of personal animosity against them when they were not members of the holdup gang. He said he accused Dinkla because he was "dating the same girl that I was." In the repudiation of his confession he said he did not know any of the other four members of the gang with whom he held up the bank.

James Lynch, a brother of Hugo also confessed to taking part in the holdup and now is serving a sentence for it. A fifth member of the gang, believed to be the leader, has not been captured.

LARGE CROWD
ATTENDS LOCAL
CHURCH SUNDAYMANY CONVERTS WON BY VISI-
TATION EVANGELISTIC CAM-
PAIGN CONDUCTED BY GREEN-
CASTLE CHURCHES

The service Sunday morning at the First Christian Church in Greencastle was one of the greatest ever held in the history of the congregation. The seating capacity of the auditorium was taxed to the limit and it was necessary to use the Bible School room for the overflow. At the close of the sermon of "The Beginnings of The Church," given by the pastor, 68 people came forward to be received into the membership of the church.

The total results of the evangelistic campaign so far has been 88 people who have definitely decided to come into the church. Seventy of these have already been received this month, and the others plan to come next Sunday morning. Out of the 88 only eight are children, the others being adults and young people. Many whole families have come and many families have been united to the church. Out of the 88, 41 have come by the transfer of their membership from other congregations, and 47 by baptism. Another result of the campaign was the finding of eleven people whose names had been lost from the church list and who asked that their names be entered upon the list again. This makes a total of 99 people added to the membership list of the church for the month. Two names were also added to the affiliated membership list of the congregation.

Rev. B. H. Bruner, pastor of the church, told his people Sunday morning that this was the greatest experience which he had ever had with a congregation in his entire ministry, and that he felt that this type of evangelism was much more wholesome than the other type of big revival meetings. He also paid a high tribute to the loyal work of the congregation in making the results of this campaign possible. For the next few Sunday mornings Mr. Bruner will deliver a series of sermons on the meaning of membership in the church. He will speak on the following subjects: "Reformation and Restoration;" "The Local Congregation;" "The Doctrine and Ordinances of the Church;" and "The Purpose and Work of The Church."

Is Charged With Theft of Clover Seed
From the Miller Grain Com-
pany in Bainbridge—Ap-

Chase

Clyde Sallust, 22 years old of near Bainbridge is in the Putnam county jail here awaiting arraignment before Judge James P. Hughes in the Putnam circuit court on a charge of grand larceny. The charge was filed against Sallust by Harley Miller of Bainbridge, who is head of the Miller Grain company of that town. The affidavit was filed late Saturday afternoon.

Sallust was arrested at his home about 2:30 o'clock Sunday morning by Sheriff Alva Bryan following an all night chase, which started in Greencastle. The youth is charged with stealing 9 bushels of clover seed valued at \$100 from the grain company's building in Bainbridge.

Following his apprehension by authorities the young man is said to have intimated that there were a number of others, who participated in the theft. Officials said today that Sallust told them that there were "some big boys," whom he might implicate, he is also alleged to have said that he made a mistake by using his Pontiac coupe to take the seed away. Identification of the car by an Indianapolis dealer to whom the seed was sold led to charges being filed against Sallust.

The young man was in Greencastle Saturday night, where he called on a Greencastle girl. Sheriff Bryan and Chief of Police Otto Dobbs went to the girl's home to await the return of the couple, but the girl came home alone, and it was thought that Sallust had been "tipped off." Sheriff Bryan immediately made a trip to the Sallust home, where he nabbed the youth.

Although a youth Sallust has been implicated in a number of crimes in the past few years, but has always managed to clear himself. He is the son of Mr. and Mrs. Ray Sallust.
